The Association of Women’s Health, Obstetric and Neonatal Nurses is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

Participants must attend 100% of the course, successfully pass the skill stations and online knowledge test, and must complete and submit an online feedback form. All feedback must be completed within 30 days of participating in the course.

Participants will have access to complete the online learning prerequisite starting 30 days before the in-person course date. Access ends one day before the in-person course. If the online learning prerequisite is not successfully completed one day before the in-person course, participant is denied entry to the online prerequisite course. Also, participants not successfully completing the online prerequisite will not be allowed entry to the in-person course.

Purpose: The purpose of the IEC is to prepare instructors for the Fetal Heart Monitoring Principles and Practices (FHMPP) workshops

Objectives:

1. Apply adult learning/teaching principles to the Intermediate Fetal Monitoring Course
2. Demonstrate entry level proficiency in teaching selected segments of Intermediate Course (lecture & skill stations)
3. Manage classroom issues & formulate problem-solving techniques

4. Identify administrative responsibilities, policies & procedures of the Intermediate Fetal Monitoring Course
5. Demonstrate navigation of AWHONN website for administrative functions
